

How to Use WTOB Online Video

View an Online Video

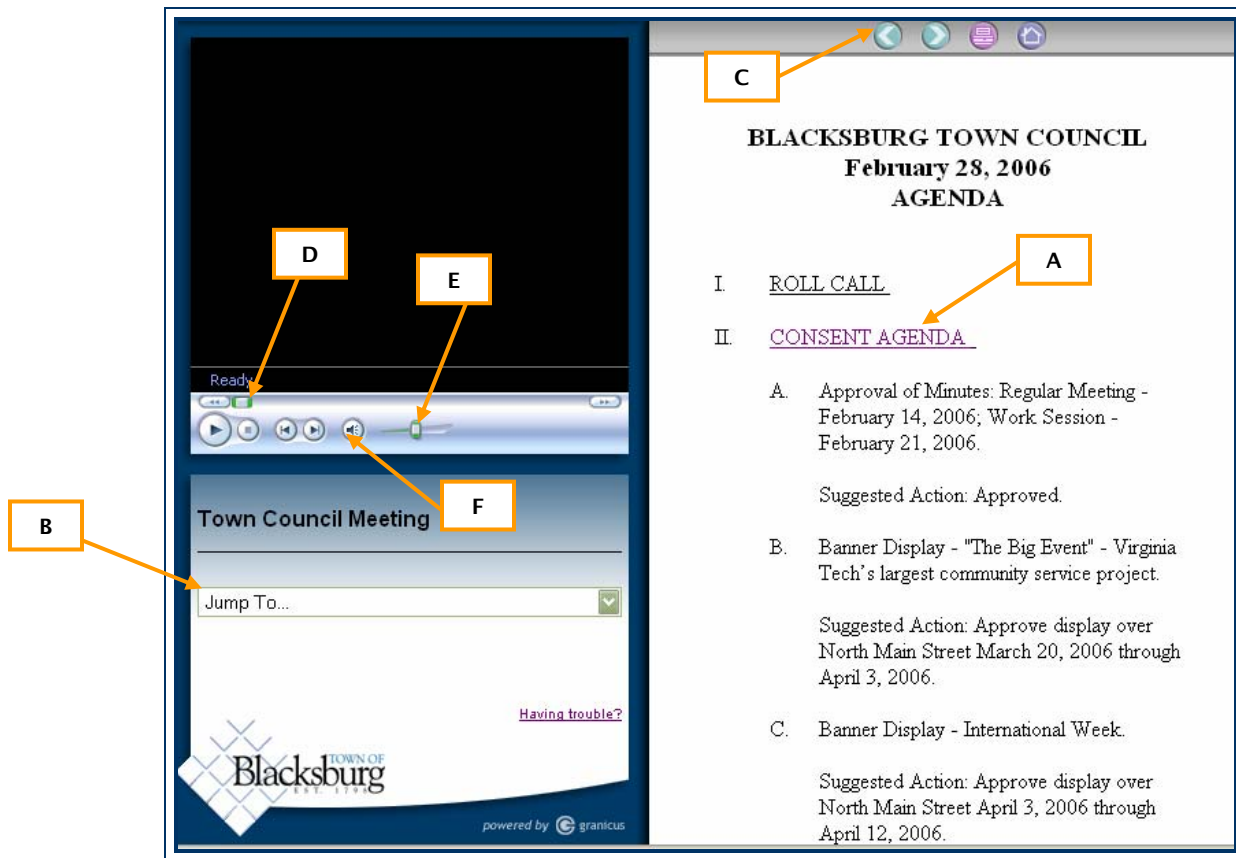

- On the main menu to the left, click the link for Live and Archived Video (A) or
- Click an individual program's link (B).
- Note: the Live and Archived view will show a **full listing** of all available programs. By clicking an individual program's link, only those programs within that heading will be listed.

- The new page lists video In Progress, Upcoming Live Programming (B), and video in the Video Archives (C). Click desired link or
- Click "View Agenda/Description" or "View Video" (D) to see the meeting agenda or the program topics.
- In both cases, either a new video window or an agenda/description will open.

Navigating View Video Window

- Video will automatically begin playing after buffering is complete.
- To jump to specific points within program
 - Click links within the agenda or description (A) or
 - Use the “Jump to...” points available in a drop down menu below the video. (B)
 - If a document link is clicked, the document will open in place of the agenda/description.
 - To return to the agenda/description, click the back button. (C)
- To advance/rewind the video without using a link/jump point, move the slider to right/left. (D)
- To adjust the volume, move slider to right (increase) or left (decrease) (E). The mute button located to the left of the slider (F).

Live & Archived Video
Blacksburg Town Council and Mayor Candidate Forum
Town Council Meetings
Planning Commission Meetings
Comprehensive Plan Task Force

Now it's easier and more convenient for citizens to stay informed about what's happening in town government. The WTOB Channel 2 Online Video is available 24 hours a day, 7 days a week. While most of our Online Videos are offered through an archive, public meetings are usually archived and live, as fed from WTOB Channel 2.

To make the most of the Online Video experience, use the latest free version of [Windows Media Player](#).

New users should click the [How to Use](#) link on the main menu to the left.

- On the main menu to the left, click an individual program's link (A).
